Kentucky Primary Election on May 20

The State of Kentucky will hold its primary election on May 20. If you are a Kentucky resident and want to vote in the primary, you must be registered to vote by April 21. If you live outside your election jurisdiction and need to register to vote absentee, you can do so using the Federal Post Card Application (FPCA) available at FVAP.gov. If you complete and return this form, Kentucky will register you as an absentee voter and send you your ballot for all elections this year.

If you are already registered in Kentucky, you must request your ballot by May 13 if you want to vote in the primary.

Detailed information is available at the following website: fvap.gov/kentucky, along with the FPCA. If you are registered and have not received your absentee ballot by April 20, use the Federal Write-In Ballot to vote. The form is also available at: fvap.gov/kentucky.

The Embassy is located at 1201 Roxas Boulevard, Manila, Philippines and is open 0730-1600, Monday through Friday. The Embassy's main telephone number is (+632) 301-2000. U.S. citizens can dial this number and ask to be connected to the American Citizen Services (ACS) unit or with the Embassy Duty Officer (for calls outside of normal business hours). You can also contact the ACS unit through email at ACSInfoManila@state.gov or through the [Embassy Facebook page](#). Please visit [our website](#) for information on all services offered by the ACS unit.

We strongly recommend that U.S. citizens traveling to or residing in the Philippines enroll in the [Department of State's Smart Traveler Enrollment Program \(STEP\)](#) at www.Travel.State.Gov. STEP enrollment gives you the latest security updates, and makes it easier for the U.S. embassy or nearest U.S. consulate to contact you in an emergency. If you don't have Internet access, enroll directly with the nearest U.S. embassy or consulate.

Regularly monitor the State [Department's website](#), where you can find current [Travel Warnings](#), including the [Travel Warning for the Philippines](#), Travel Alerts, and the Worldwide Caution. Read the [Country Specific Information for the Philippines](#). For additional information, refer to "[A Safe Trip Abroad](#)" on the State Department's website.
